About company

Sharr berry LLC is a private company founded in 2015. Headquarter, cold store and small production facility are located in Štrpce (Kosovo).

Over 100 hectares of raspberry are close to Sharr Berry company. The location of these fields allows us to minimize the time between harvesting and freezing.

Sharr Berry's core values expressed through business are:

- fruit safety and top, premium quality of all our products
- commitment and customer satisfaction, as well as farmer satisfaction
- extensive experience and knowledge of deep frozen fruits
- professional, well-trained and satisfied employees
- responsible social and environmental behaviour
